Your maximum benefit is up to three times the critical illness policy benefit amount. The multiple conditions must be diagnosed at least 180 days apart.
<b>Multiple Benefits Within Categories</b>	If you have received a partial benefit within a category (e.g., 25 percent of the benefit for coronary bypass surgery) and you have another illness in the same category that pays 100 percent of the benefit (e.g., heart attack), you will receive the remainder of the total benefit for that category (e.g., 75 percent).
